

## PARENT PAYMENT ARRANGEMENTS 2022

Dear Parent/Guardian,

South Melbourne Primary School is looking forward to another great year of teaching and learning and would like to advise you of our voluntary financial contributions for 2022.

Victorian State Schools provide students with free instruction to fulfil the standard Victorian curriculum, and we want to assure you that all contributions are voluntary. Department of Education and Training Victoria has been working with schools to strengthen the parent payment policy.

The payments are divided into three areas:

1. Curriculum and Other Contributions (*essential student learning items*)
2. Extra Curricular Items and Activities (*optional items and activities such as camps and excursions, that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the curriculum. Extra-curricular items and activities are provided on a user-pays basis*)
3. Other Contributions (*supporting non-curriculum items and activities that relate to the school's functions and objectives*)

Support and contributions from families allows us to offer a wider range of subjects and special curriculum experiences for your children, including enhanced digital learning opportunities, the upgrade of our gym AV system, faster WIFI and internet: infrastructure and support services that is so vital right now.

These funds are voluntary, but they allow SMPS to continue to offer a broad curriculum and a wide range of programs for our community's children.

You can also make tax-deductible voluntary contributions towards targeted funding streams such as the Library Fund and Building Fund. In 2022, with your donations, we hope to create a more inviting library space with lounges and reading nooks to encourage student reading and our Building Fund will further enhance our gym audio and visual system.

For further information on the Department's *Parent Payments Policy* please see a one-page overview, attached.

### Financial Support for Families

South Melbourne Primary School understands that some families may experience financial difficulty and offers a range of support options, including:

- **CSEF (Camps, Sports and Excursions Fund)** provided by DE&T and is automatically paid to family accounts. Applications are available via the school and families holding a valid means-tested concession card or temporary foster parents are eligible to apply for \$125 of funding each year.
- Access to **States School Relief** for support with clothing/uniforms.
- Second-hand and low-cost options (e.g. school clothing pool, low cost suppliers)

- Local community supports.

For a confidential discussion about accessing these services, or if you would like to discuss alternative payment arrangements, contact: Tess Duerden - Business Manager  
Ph: 03 9935 9399 | Email: tess.duerden@southmelbourneps.vic.edu.au

### Payment Arrangements and Methods

Payments can be made to the school via the following methods:

- Paying via EFTPOS at Reception
- Online via Compass as a lump sum
- Flexible contribution options
- CentrePay
- Direct Deposit (please contact the school for details)
- BPAY (please contact the School for your Family Reference Number).

Please note that we are a Cashless School.

### Refunds

Parent requests for refunds are subject to the discretion of the school and made on a case-by-case basis. Refunds will be provided where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred.

For further information on the Policy, view the [Department's Parent Payment Policy](#).

Yours sincerely,

Noel Creece  
Principal

# PARENT PAYMENTS POLICY

## ONE PAGE OVERVIEW

### FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

### PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions	Other Contributions	Extra-Curricular Items and Activities
Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.	Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.	Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

### FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

### SCHOOL PROCESSES
